[linkedin.com/in/dongmyung-park-192b99412/](https://www.linkedin.com/in/dongmyung-park-192b99412/)

Technology for a better everyday life.

AI, robotics, autonomous driving and rocket engineering.

EDUCATION

The University of Manchester

BSc Artificial Intelligence / First Class Honour

September 2021 - July 2026

TECHNICAL SKILLS

AI / ML	Deep Learning, Supervised Learning, Reinforcement Learning, Model Evaluation
Language / Retrieval	Natural Language Processing, Information Retrieval, RAG, Language Models
Systems / Backend	Backend Development, API Design, Data Pipelines, Software Engineering
Simulation / Robotics	Robotics, Simulation, Autonomous Systems, Robot Learning

EXPERIENCE

Busan Cable & Engineering - Quality Control

March 2024 - September 2024

Republic of Korea Army - Sergeant

August 2022 - February 2024 / Completed service

LANGUAGES AND CERTIFICATION

Korean	Native
English	Academic and professional communication
Chinese	Basic communication
Certification	Information Processing / June 16, 2023
